JHB/PC/22324

5th November 1982

Dear Les,

Australian Patent Application No. 46370/79
Our File: 22324 - PM-810

Thank you for your letter of 8th September 1982.

I have had a telex from Jim Haley approving my proposal to use the European claims as a basis for the Australian amendment and have instructed our associates in that country accordingly.

For the purposes of Australia, I have made some minor changes as previously discussed. A copy of my latest proposals is enclosed.

Yours sincerely,

J.H. BASS
